## *Editorial*

As 2007 draws to a close we would like to thank everyone for their continued support and wish one and all a Merry Christmas and a Happy and Safe New Year

Our thanks must go to everyone who has assisted the Club in 2007, whether they have been officials or competitors as without your support it just doesn't happen.

A big thank you to our sponsors and the committees that have organised our events.

## Legerwood Hillclimb Report

Thanks to the few competitors who made the trek and we obviously elected to continue with the event with the very few entries. Everyone had lots of fun and almost everyone got a Trophy (Jason we hope Bill shared the oil with you☺)

As you can see from the calendar above we have rescheduled the event to 14 September to be clear of both the busy festive and farming seasons, but we do need your continued support to ensure the event is viable.

We really want to thank the local community around Legerwood Lane; they really get behind the event. In particular we would like to thank the "Very uninformed spectators" Jeremy and Veronica Carins who presented a trophy for the most spectacular driver. In addition thanks to the Ringarooma Garage, Roberts Legerwood and Impact Fertilisers for their support of the event. Finally, thanks to John and Mandy Bennett for their support.
