Editorial

Once again it seems that Club Motor Sport is being victimised by the powers that be in this state. The permit fees for our Symmons Plains events have been hit with a 31.5% increase. Along with this increase, we now have to pay our CAMS Permit Fee to Motor Sports Tasmania who then remit it to CAMS while keeping (we assume) a service fee for the task.

It seems to this observer that outcome of this will be to reduce the number of events held on circuits and to increase the number of events held elsewhere. We'd like to know your opinion on this, should we change our mix of events, should we run more events away from the circuits. Come along to our next meeting and let us know what your opinion is.

This is the last NewsWheel that will be sent to non-financial members, if you have not returned your 2004 Renewal please complete and return the enclosed 2004 Subscription Renewal Form.
