February 2011

Editorial

As we start 2011 we would like to thank everyone for their support in 2010 and we look forward to a bigger and better year in 2011.

Our second club day for 2011 will be held at Symmons Plains on the 27th of March; this will also be a round of the North West Car Club Blacktack Series so get your entry in early. Remember if you are not competing we could do with your help on the day, the more people we have helping the smoother the day runs.

A reminder to all members that your membership is also due for renewal.

We also need a newsletter editor, someone who could collate information and get it all ready to print, if you think you could help please contact any committee member.

To be able to continue to run club days as we do we urgently need members (or their friends) to come along and help as an official on the day. If we have enough people to help out then people only have to spend a few hours on a flag point instead of the whole day. If we don't have enough people to man flag points etc we will have to revert back to a 4 grid.

Also please note all members can and should attend the AGM and if you would like to be on the committee please put your name forward, your input would be appreciated. Also if anyone has suggestions etc please feel free to talk to any committee person and pass them on, or send us an email.

BTB

2010 Summary

Last year also saw the second running of the Tasmanian Supersprint Championship which was well supported and congratulations must go to Matthew Rogers as the overall winner, and all the other class/category winners. We must also thank Kerry Luck and the Levee Food Co for their sponsorship and support. We will again be running the championship this year as we have been allocated a round of the Australian Supersprint Championship for 2015. To be eligible for the championship you have to have competed in a minimum of two (2) club days with any CAMS Affiliated club. (You must be able to prove this at the time). If you haven't competed in enough events you are still eligible to run on the day as part of a normal club day.

A huge thank you must go to everyone who has worked as an official at any of our events. These people volunteer their time and stand out in all kinds of weather so that we can run events for you the competitor, and we must also thank you the competitor for your support. Hopefully we can continue to have your support in 2011
