Editorial

Well here we are nearly half way through 2008 and things have been pretty busy. Round one of the hill climb championship at Lake Barrington went off well even with two other conflicting events being held the same weekend. Thank you to Karen Baker and the team from the NWCC for their assistance and for doing the timing. The two club days we have held have been very successful with many new faces coming on the scene, and with competitors already entering for the club day on 6th July, let's hope the weather is as good to us as it was last weekend. The Country Club Tasmania Mountain Circuit Challenge is coming along nicely with five entries already received, including two from the Victoria.

Please note that we are meeting back at the Newstead Hotel and we welcome any member to come along and join us.
